

# Missouri Certified Home Energy Auditors

Missouri Division of Energy  
Directory - 5/3/2012

This directory includes all Missouri Certified Home Energy Auditors as of the publication date. For a home energy audit to be deductible on Missouri state income tax, the auditor must be certified by the Missouri Department of Natural Resources as required under SB1181 (RSMO 640.153). Inclusion in this directory does not constitute or imply any endorsement or recommendation by the department or the State of Missouri. The energy auditors listed below may provide services anywhere in Missouri. The directory is organized by county to help users locate nearby auditors.
