DISTRIBUTION OF AVAILABLE LOAN FUNDS

From Table 1 of Section IV, the total estimated funds available for DWSRF loans for SFY 2012 is \$70,556,908. Missouri law requires that twenty (20) percent and fifteen (15) percent of available funds shall be made available to water systems serving populations of 3,300 or less (designated as very small communities) and water systems serving populations of 3,301 to 9,999 (designated as small communities respectively). The remaining sixty five (65) percent (designated for general community) is not restricted by population served.
